Next-generation
Point-of-sale

WE MAKE YOUR STORY

我们为您创造故事

Nstory suggests a new vision to clients with a trendily designed and user-centered interface. Founded in 2012, Nstory is an IT company and we have recently developed a NPOS system via advanced technologies and skills in 2018. Our goal is to provide convenience to our clients via a NPOS system empowered by smart technologies. At the same time, our highly qualified engineers offer technical services of high quality to our clients. We believe that Nstory will become the future go-to company for F&B IT solutions.

Nstory以时尚设计和以用户为中心的界面为客户提供新的愿景。

Nstory是一间成立于2012年的IT公司，我们在2018年开发了具有先进技术和技能的NPOS系统。我们的目标是通过新一代智能NPOS为客户提供便利，与此同时，我们的高标准工程师也将为我们的客户提供高质量的技术服务。我们相信Nstory将成为餐饮科技的未来。

Key functions

主要功能

Use NPOS with existing devices

If the existing POS hardware meets the minimum specification, you can use it continuously.

使用NPOS与现有设备

如果现有POS硬件符合最低规格，则可以连续使用。

Tracing the cancelled menu

You can check the details of a cancelled order to prevent fraud. Every order cancellation includes real-time email notification service.

跟踪已取消菜单

您可以在订购后查看已取消菜单的详细信息，以防止欺诈。订单取消时包含实时电子邮件通知服务。

Branch office integrated management system

The headquarters can monitor the operation situation of each branch office, and you may analyse their operation statuses in real-time.

分公司综合管理系统

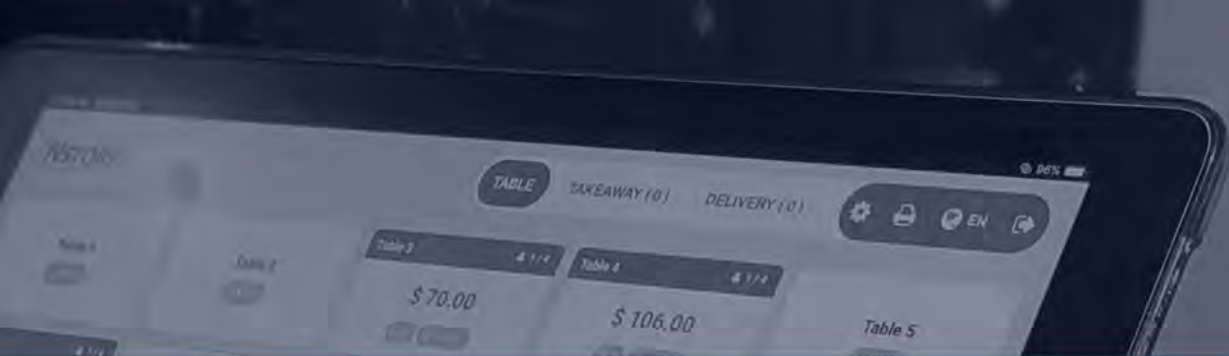

总部可以监控每个分支机构的运营状况。您可以实时分析操作状态。

Devices Compatibility

NPOS can be used with any devices (if the devices meet the minimum specification)

在任何设备上运行

NPOS可以在任何设备上运行（如果设备符合最低规格）

Staff Ordering

Function for your waiter to take orders via tablets

服务员接受订单

服务员使用平板电脑接受订单的功能

Nmenu

Nmenu is a self-ordering system that allows customers to use tablets to view the menu and order directly from their table.

Nmenu

Nmenu是一个自订系统，允许客户使用平板电脑查看菜单并直接下订单。将平板电脑放置在每个台面，即使在高峰时段也可以方便地接收订单。

Happy Hour Promotion

We provide a Happy Hour Promotion feature, where the discount rate for each item category is automatically applied according to your time settings.

欢乐时光促销

我们提供欢乐时光促销功能，根据您的时间设置，每个类别的折扣率自行适用。

Split the bill payment

Payment can be divided by the number of people or menu items.

分开付款

付款可以除以人数或菜单数。
